July 4th Family Picnic 11:00am - 2:00pm

Please join us for our annual Community July 4th Family Picnic sponsored by our neighborhood Publix.

There will hamburgers, hotdogs, drinks, snowcones, and a waterslide for the kids!

We need volunteers to help with set-up/clean-up. Please contact Heather Park if you are available. 910-2764 or bugaboopark@comcast.net

TENNIS IN THE WOODS

Women's doubles tennis is alive and well in The Woods! More than 25 women play every week for exercise, fun, and to become better at tennis. The group has developed a sense of community pride and priceless friendships in the years that we have had Working Women's teams competing for fun against teams from all over the city. We pride ourselves in the best hospitality, food, and fun of all the clubs.

The tennis season for the Working Women's League is completed for the 2009-2010 season. The Woods put forth two teams this year, one in B3 division and one in C2 division. We will continue practicing throughout the summer and if you have an interest in getting into or back into tennis, now is the time to investigate this opportunity. The B team meets on Tues evenings for practice and the C team meets on Thurs evenings. Both teams are looking for more members so come on out and enjoy meeting some of your neighbors and others who share the love of tennis or just want to meet others for practice. Clinics

are being scheduled for those who would like to take some group lessons from some top professional trainers in the area. No partners required. The 2010-11 season will begin in late August so come out and join the fun.

There are also some women who are available to play in the mornings and we hope to put forth a Tues morning team this year.

For more information call: Barbara Nuernberger 221-6325 or Maureen Bate 220-5517

GARDEN TIPS

Things to do in May/June (from the Duval County Extension Office)

Flowers: □ Space out flowering plants to increase air circulation going into hot, humid months. Remove spent flowers to encourage more blooms and reduce disease problems. Prune back to new growth. By now, it's obvious what survived the freeze. Go ahead and prune out dead parts or remove dead plants.

Fruits and Nuts: Harvest blueberries around early June. Crops are running late this year due to the cold. Visit some of the U-pick growers. Refer to www.floridaagriculture.com/consumers/upick.htm to find local growers. Harvest peaches, nectarines, plums and strawberries as soon as they are ready to beat the birds and other critters. Fertilize citrus with a citrus fertilizer and provide water during dry weather to prevent splitting once the rains return.

Lawns: Plant/plug lawns now to fill in cold damaged areas. Go to <http://edis.ifas.ufl.edu/lh013> for info. Calibrate the sprinkler system to water between 1/2" and 3/4" each time you water. Follow guidelines: odd# addresses on Wednesday & Saturday and even # addresses on Thursday & Sunday. No watering from 10am to 4pm. Check brown spots in lawns for irrigation problems or chinch bugs. Mow at the appropriate height to help control weeds and develop a deep root system. Mow Bahia at 3-4", Bermuda at 0.5-1.5", Centipede at 1.5-2", St. Augustine standards at 3.5-4", St. Augustine dwarfs at 2.0-2.5" & Zoysia @ 1.0-3.0". Apply second fertilizer application to St. Augustine or Zoysia lawns. Use a fertilizer with equal or near equal amounts of nitrogen and potassium and low phosphorous like a 16-2-16. Find one with at least 30% slow release nitrogen to avoid quick growth. Stay ahead of the weeds by hand pulling or spot treating as needed. For information on weed control, go to <http://edis.ifas.ufl.edu/EP141>.

Trees & Shrubs: Prune and fertilize spring flowering trees and shrubs after bloom. Scout plants frequently for pest problems. Check plants for aphids, scale, lace bugs and spider mites. Lace bugs and spider mites are problems during hot, dry weather. Fertilize palms with a palm fertilizer that has an 8N-2P-12K +4Mg with micronutrients. 100% of the N, K and Mg should be in a water-insoluble form. Broadcast one pound of fertilizer per 100 square feet of canopy area.

Vegetable Garden: Blossom end rot is a common problem on tomatoes and peppers. The bottom of tomatoes turn dark and rot. Calcium deficiency is the culprit and can be the result of low calcium levels in the soil, low soil pH, inconsistent watering, or root damage. Hand pollinate squash and other Cucurbits if fruit are not developing. It could be lack of pollination due to low bee counts. Identify the female flowers (those with fruit behind them) and the male flowers that have yellow pollen. In the morning act like a bee and transfer the male pollen to the stigma of female flower. Scout vegetables for insects frequently, especially caterpillars. Aphids and armyworms have been plentiful this year. For large caterpillars, the best means of control is to handpick. Small caterpillars can be controlled with Bt (Dipel or Thuricide). Harvest vegetables regularly to keep plants producing. Use low volume irrigation like soaker hoses to supply adequate water during fruit production. This will help to conserve water, adhere to irrigation guidelines and reduce disease problems.

SUMMER SWIM LESSONS

WOW

Summer Swimming Lessons will be available beginning the week of June 23rd. Depending upon response, another session may be offered in July. Lessons are open to Woods' resident children ages 3-12. The instructor is a Red Cross Certified Water Safety Instructor with 20+ year's experience. Please see available options. Private lessons will also be available upon request. Private lessons can begin as early as June 23rd with a cost of \$20 for a half hour lesson. Please call Jane Szerba, 349-0587 to discuss your child's level and his/her current ability and needs.

SESSION I \$60.00

June 23, 24, 25, 29, 30, 1

Levels 1-2 10-10:30

Levels 2-3 10:45-11:15

Levels 3-4 11:30-12:00

SESSION II \$60.00

June 23, 24, 25, 29, 30, 1

Levels 1-2 4-4:30

Levels 2-3 4:45-5:15

Levels 3-4 5:30-6:00

WOW, the May meeting may have been the best of the year. The Women of The Woods met at Istanbul Mediterranean and Italian Restaurant (by Publix) for dinner. We feasted on many hors d'oeuvres including flaming cheese (we ordered 4 more servings), excellent dinners and a wonderful shredded wheat dessert. Yes... shredded wheat for dessert and it was sooo good! We will be going back.

We have elected new officers, TBA, for next year. The spring and fall yard sales, The Book Sale, and The Christmas Bazaar are on the calendar. Our first meeting will be August 15th, in the clubhouse at 7pm. Make plans now to join us for the evening or for the year. We meet every 3rd Monday of the month. All Women of The Woods are invited.

We are looking for new meeting ideas. If you have any suggestions please call Shannon 221-3453 or send me an email at shannon1001@comcast.net. If you would like to receive our emails please send me your address. Thank you WOW ladies for making this year so much fun. See you all in August.

RECREATION NOTE

Hitting golf balls on the soccer field is NOT permitted. Golf balls are going into homeowners' yards and hitting their houses. It is dangerous to families enjoying their yard and causing damage.
