## Community Center Keys

The Woods Community is in the process of updating our key system. All key fobs must be reactivated in our system. Please call the office at 221-3722 or stop by to log in your keys.

On August 1st, 2011 we will be deactivating all keys that have not been re-registered. If your key is deactivated, please contact the office to register your key and it will be reinstated.

## For Your Garden

### From the Duval County Extension Office

**Plant/plug lawns now** to fill in cold damaged areas. Go to <http://edis.ifas.ufl.edu/lh013> for info.

**Calibrate the sprinkler system** to water between 1/2" and 3/4" each time you water. Follow guidelines: odd# addresses on Wednesday & Saturday and even # addresses on Thursday & Sunday. No watering from 10am to 4pm.

**Check brown spots in lawns** for irrigation problems or chinch bugs.

**Mow at the appropriate height** to help control weeds and develop a deep root system. Mow Bahia at 3-4", Bermuda at 0.5-1.5", Centipede at 1.5-2", St. Augustine standards at 3.5-4", St. Augustine dwarfs at 2.0-2.5" & Zoysia @ 1.0-3.0".

**Apply second fertilizer application** to St. Augustine or Zoysia lawns. Use a fertilizer with equal or near equal amounts of nitrogen and potassium and low phosphorous like a 16-2-16. Find one with 30% or more slow release nitrogen to avoid quick growth.

**Stay ahead of the weeds** by hand pulling or spot treating as needed. For information on weed control, go to <http://edis.ifas.ufl.edu/EP141>.

**Prune and fertilize** spring flowering trees and shrubs after bloom.

**Scout plants frequently for pest problems.** Check plants for aphids, thrips, scale, lace bugs and spider mites. Lace bugs, thrips, and spider mites are problems during hot, dry weather.

**Fertilize palms with a palm fertilizer** that has an 8N-2P-12K +4Mg with micronutrients. 100% of the N, K and Mg should be in a water-insoluble form. Broadcast one pound of fertilizer per 100 square feet of canopy area.

**Master Gardeners** are available from 9am to Noon and 12:30 to 3:30 PM to answer gardening questions via telephone at 387-8850.

# WOW

WOW, we have had a great year and now we'll be resting up for the summer. This past year the Women Of The Woods have been very busy. We have learned about Breast Cancer and how to organize our homes. We learned to arrange flowers and we learned (and tasted) all about wines. We enjoyed a Christmas party and we pampered ourselves with massages and chocolate. We learned all about what's new in gardening and attended a lovely garden party. The annual Christmas Bazaar, Bake Sale, and Book Sale allowed us to be generous with our funds. WOW gathered food, presents, clothes, and gift certificates for Hubbard House and a donation was made to The American Cancer Society. Dinner at Midori rounded out our busy year. The 2011 - 2012 WOW schedule is looking even busier, come and join us. Have an awesome summer, see you in August! - Shannon
